FEBRUARY 2019

Dear Parents,

The year of 2019 is already marching along steadily, as we head into the second month of Term 3! February was a short but busy month for our young learners. All our students thoroughly enjoyed our school-wide Tet celebration. Thank you to all the parents for your contribution and support in making it such a special day!

Don't forget to check your child's Student Handbook each week for important updates, information, and learning content from your child's week at school. For even more photos of events and learning happening in school, and theme-related artwork see our notice board near the front desk.

Kindest regards,

**Caroline Atkinson**

## Dr. Seuss Week @ KIK

We had a fantastic time celebrating the birthday of Dr. Seuss! Theodor Seuss Geisel was an American writer, poet, and cartoonist. He was most widely known for his children's books written and illustrated as Dr. Seuss.

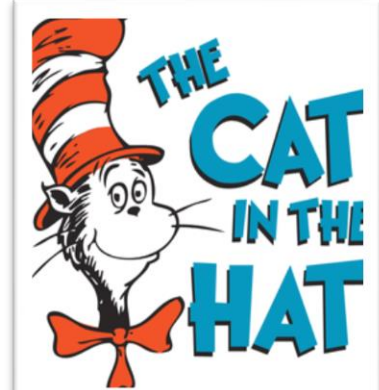

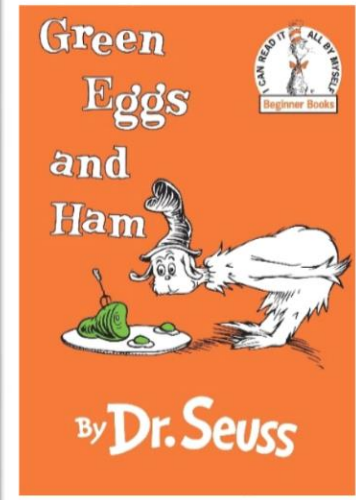

In celebration of his work as a talented children's author and to encourage a genuine love of reading in our students at KIK, we hosted "Dr. Seuss Week".

This is one week in the year when children, adults, teachers, and parents all over the world focus on reading.

AT KIK, we focused on our reading by enjoying and exploring some of the many wonderful books written by Dr. Seuss. We also enjoyed fun and silly activities to bring the stories to life. We had something special happening every day of the week. Please see our main hallway for even more photos from this special week.
