News from Kindergarten

Happy New Year! We hope you all had a fantastic and relaxing holiday with many great memories! We are excited to be back at school and have a very busy month ahead of us!

Our first trip for the year 2018 was very interesting. The KIK students and teachers had learned so much about the history and the architectural design of the White Palace. The luxury mansion in a pristine garden was awesome. We enjoyed learning the history of the building and its huge frangipani trees surrounded by old cannons. We really liked the fresh air of the sea, the beauty of the White Palace and also the opportunity to enjoy looking at the typical and rare antiques. It was really fun to step back in time to yesteryear.

Lastly, our kindergarteners are so happy and excited being in the swimming pool. All students from K-1 to Prep are taught water safety by Mr. Andrew. It is so nice to see how our students are developing their swimming skills and see them splashing in the water wearing their gorgeous swimsuits.

Term 2 in Review

Even though it is a brand new year, we are just closing the door on our second term, and the first semester. Half the academic year is gone already. Where did the time go?

We've had some exciting times over the last 2 terms from the Halloween sports and activity day, to the Teacher's Day celebrations and the Science Fair. It has been a jam packed 6 months.

We asked some of our students about their favourite moments from Semester 1. Here's what they had to say:

Barbie Y8L: *I really loved the Christmas Fair, there were so many good games this year!*

Hana Y3L: *I really loved the Christmas party because I got to open presents and we had lots of fun.*

Patrick Y5L: *My favourite thing about the year so far is in October, when we had to make decorations for our classroom door for Halloween.*

Lina Y4L: *I like doing the exams. I like the challenges and trying not to make any mistakes.*

Ivan Y3L: *I really enjoyed the Christmas Fair. There were lots of fun games!*
