Message from the Principal

Spring is in full swing here at The Manor as we are well into Term 3. It has been an exciting term full of learning and adventures. This term is all about discovering the world around us. From plants and flowers to food and conservation, the students are learning all about the natural world. We have entered our month-long exploration of the animals we share our world with. This is easily a favourite of KIK learners. Ask your child about their favourite animal and watch as their face lights up with enthusiasm.

Each week a different class displays their artwork in the main entrance hall. Be sure to stop and have a look each week. It's wonderful to see all of the amazing things our students can create!

Don't miss our Super Star Student awards either! Each week students are awarded for their exemplary behaviour, school work, academic accomplishments, or citizenship. Well done, Super Stars!

Sincerely,

Ms. Caroline Atkinson

Principal

Dr. Seuss Week @ KIK

We had a fantastic time celebrating the birthday of Dr. Seuss!

Monday, 5 March 2018 to Friday, 9 March 2018 was Dr. Seuss Week at KIK.

Theodor Seuss Geisel was an American writer, poet, and cartoonist. He was most widely known for his children's books written and illustrated as Dr. Seuss. His birthday was on 2 March and in celebration of his work as a talented children's author and to encourage a genuine love of reading in our students at KIK, we hosted "Dr. Seuss Week".

This is one week in the year when children, adults, teachers, and parents all over the world focus on reading.

AT KIK, we focused on our reading by enjoying and exploring some of the many wonderful books written by Dr. Seuss. We also enjoyed fun and silly activities to bring the stories to life. We had something special happening every day of the week.

Please see our main hallway for even more photos from this special week.

K1 Excursion to the Zoo and Botanical Garden

Our Term 3 themes focused on plants and animals. The children truly love to study the world around them outdoors. Our K2 classes enjoyed a trip to the Zoo on 24 March 2016 during our Wild Animal theme week. Not only did they get to observe wild animals and enjoy the beautiful Botanical Gardens, they were invited on a train ride throughout the Zoo; linking another theme favourite Transportation. What a successful and enjoyable learning adventure it was.
