Message from the Principal

It is wonderful to have this opportunity to share our news with you; update you on school developments; give thanks for your continued support; celebrate our little learners; and offer some valuable information. Term 4 of the 2017-2018 school year is well underway and our KIK family is hard at work as we move into the final stretch of the school year and assess the progress we have made.

It is such a pleasure to witness how well our youngest learners have settled into the routines of their first year at school. With polite greetings and warm smiles, every morning tends to be a happy one here at KIK. Our Nursery and K1 classrooms are full of little ones exceeding our expectations each day!

Likewise, our K2 classrooms are a joy to observe as they now possess sufficient skills to communicate more efficiently and actively engage with one another. These students demonstrate a genuine love of learning that is part of our mission at KIK.

Finally, our senior students, the Prep class has grown up and developed so quickly! They set such a great example for our younger students to look up to. They are working hard preparing for their transition into Year 1. We are confident that each of them will achieve success. It will be a wonderful sight to see all of them graduate in June (at our official Graduation Ceremony) from the Kindergarten programme.

This year could not have been the successful, joy-filled year it has been without your support. For this, we thank you, parents. Without your support from home and at school we would not be able to achieve all that we are so proud of at KIK. We very much look forward to seeing the happiness and successful learning continue, and end the school year strong!

Sincerely,
Ms. Caroline Atkinson
Principal

Children's Day

Children's Day is recognised on various days in many places around the world. Here in Vietnam it is celebrated on June 1st. It is a day of coming together to celebrate all the beautiful children around the world and bring awareness to their protection. At KIK this year, we will recognise Children's Day on June 1st, however, we will learn and celebrate during our theme exploration the last week of the school year. During the last week of the school year, the children will be invited to dress in traditional clothing of their home country. More information regarding this celebration will be shared in your child's student handbook.

End of Year Concert and Graduation

To celebrate the learning and success of our students we will hold our annual End of Year Concert on **Sunday, 24 June 2018 at the Opera House**. We have sent a letter home requesting your confirmation of attendance. Each child receives two free tickets. Additional tickets may be purchased from the school office. Please note: additional tickets will not be on sale at the Opera House on the day of the show. Be sure to purchase your additional tickets in advance.

This is a big event for us, and we look forward to sharing it with you. Please keep an eye on your child's Student Handbook and folder for important announcements and updates regarding this great event.

We hope to see everyone at KIK's End of Year Concert and Graduation on **Sunday, 24 June 2018!** If you have any questions, please do not hesitate to contact our school office staff. We look forward to celebrating with you!
