NEWSLETTER

APRIL 2018

Dear Parents,

Today marks the end of Term 3 as we break for April holidays. There has been a lot of important information sent home over the last few weeks regarding fees for next school year and deadlines for payments. I would like to draw your attention to the following important dates:

For School Fees paid by **May 29, 2018**, parents will receive:

- 🚩 Yearly School Fees: a 2% preferential rate
- 🚩 Termly School Fees: a 2% preferential rate on Term 1 School Fees only

To confirm your child's enrolment for new school year, payment of School Fees must be paid by **June 15, 2018**.

If you haven't already done so, please make sure you return the **RESPONSE SLIP FOR ENROLMENT FOR SCHOOL YEAR 2018-2019** as soon as possible.

An important upcoming school event will be the Spring Carnival to be held at SIS @ Gamuda Gardens in April. This special event will celebrate the completion of the Phase 2 building which will accommodate the new kindergarten and integrated classrooms.

Date: May 5, 2018

Time: 8:00AM – 1:00PM - Fun Run & Fun Fair

Venue: SIS @ Gamuda Gardens

Address: Gamuda Gardens 2 Road, Gamuda Gardens, Km 4.4 Phap Van, Hoang Mai District

Important Dates:

Term 3 Break – April 25 – May 1

King Hung's Anniversary – April 25

Liberation Day – May 1

Term 4 Begins – May 2

Spring Fair - SIS Gamuda Gardens – May 5

End of Year Concert & Prep Graduation – June 14

News around the Classrooms

K1 Classes Visit Mon Hue Restaurant

As a special treat to complete the unit of work focusing on 'Traditional Vietnamese Food', the K1 classes visited the local Mon Hue Restaurant at The Manor. The teachers were so proud of how sensibly the children walked to the restaurant and how well-behaved they were during the meal.

They enjoyed a variety of tasty Vietnamese dishes including the famous Bun Bo Hue noodles, fried rice mixed with vegetables, sea food and meat, as well as sticky and crispy spring rolls and grilled meat with sauce.

It was very pleasing to see that the children were excited to try different foods that they hadn't eaten before. After our restaurant visit, our K1 students are now more familiar with more traditional Vietnamese dishes and are able to name some dishes that they have been learning about in class. (Ms Rebecca)

K2 Octopus Class Celebrate International Day

During April, the students had the opportunity to explore different countries of the world. They were very interested in finding their home countries on the world map, talking about their traditions and learning to sing a variety of songs in different languages. Octopus Class were very excited to welcome Yoon Ha and Sa Yoon's mothers, Ms. Ji Youn and Ms. Mi Jung, to our class to teach us how to make Kimbap – a very famous traditional Korean food. In celebration of International Food Day, the students wore their traditional costumes and shared different dishes from around the world with their classmates. These activities have strengthened their national identity and national pride as well as developing an appreciation and

understanding of other cultures. We really appreciate all of the parents' thoughtful preparation and generosity. We hope that our cooperation will continue over the school year for our children's development and learning.

Integrated Prep Classes go Shopping

Prep Stingray and Swordfish Classes enjoyed a great "hands-on" experience with money and maths related to shopping. The teachers created a Mini Mart in one of the prep classrooms and the students then went shopping with money they were given by the teachers (10.000VND). They could keep whatever they bought as long as they had enough money **AND** if they could add all the amounts together. This was an exciting real-life experience for the students and it was great for the teachers to observe how the children were able to put their knowledge to practical use.

Prep Alligator Class

Alligator Class has been in the festive lunar calendar spirit this month! The students were able to make delicious bahn tui, while learning so much along the way. They used their language and literacy skills to develop a list of the ingredients needed to make this traditional sweet. After spelling out the words, the children got into the fun of rolling the flour using their fine motor skills. When the students were finished, they were able use their sense of taste when eating the treats to create a list of describing words for their bahn tui. Some of the adjectives the children used were, "sweet", "chewy", and "delicious." This activity provided an excellent opportunity for students to learn and use new vocabulary.

Baby Sharks learn about Transportation

During Term 3, Baby Sharks have discovered the world of land transportation. The children have learnt the names of vehicles that have two / four wheels. They have had fun riding scooters in the playground and learning about how to stay safe when riding in a car. They are able to identify different kinds of vehicles and where we would find them e.g. they know that the dump truck and excavators are used on building sites, the tractor helps the farmer on the farm, the police car is for policemen and the fire truck is used for firefighters to help put out fires. This has been a great learning experience for Baby Sharks and they have learned lots of new English words during these lessons.

International Studies in K2 Jellyfish Class

During the month of April, all K2 classes learned about different cultures and celebrated International Week. We are so proud of our students who demonstrate how important it is to accept everybody, no matter where they are from. Actually, they love having international friends and teachers and to be able to learn different languages and try foods from around the world. During our International Week, the teachers provided some really interesting activities to further the students' knowledge of other countries. They enjoyed cooking classes with the help of some of our international parents and teachers. Our international buffet lunch provided the children with the opportunity to try lots of different dishes from around the world. The students also went for a walk around The Manor wearing their traditional clothes from different countries to show how proud they feel to be part of this multicultural kindergarten.
