

KINDERWORLD INTERNATIONAL KINDERGARTEN @ THE MANOR - HCMC

# NEWSLETTER

NOVEMBER 2018

**Dear Parents,**

November is always such a special month with the lead up to Christmas festivities and the celebration of Teacher's Day. Once again, our parents showed their respect and appreciation to our teaching staff at The Manor on this special day. We were overwhelmed with the beautiful flower arrangements, exotic fruit baskets, delicious cakes, chocolates and warm wishes from parents, grandparents, and extended family members.

In celebration of this special day for teachers, our staff had a fabulous dinner at a nearby restaurant. It was lots of fun and many memorable photos were taken.

We would like to extend a sincere thank you to all the parents and children for their kind wishes on Teacher's Day!

Kindest regards,

**Caroline Atkinson**  
Principal  
**KinderWorld International Kindergarten**

### Theme: Occupations & Transportation

Since the beginning of Term 2, our school wide themes have been Occupations and Transportation. The students have been really enjoying learning and exploring these topics. It has been an excellent opportunity for them to role-play different professions and take a closer look at those in our communities that help us each day.

### Prep Excursion to Starlight Dental

Our Prep Students enjoyed their excursion to Starlight Dental on Friday, 8 December. They learned all about taking good care of their teeth and gums. They also had the opportunity to learn about the occupation of the dentist. This is an excellent experience for our Prep Students each year.

### Christmas Charity Fair 2018

Once again we look forward to our annual Christmas Charity Fair to raise money for Operation Smile, Vietnam. Operation Smile is dedicated to transforming the lives of children born with cleft lip, cleft palate and other facial deformities. It is a wonderful and much needed service provided to less fortunate children thanks to your generosity.

This year, our fair will be held on **Saturday, 1 December 2018, 9:30am – 11:30am**. Lots of fun activities and games are planned!

The children will enjoy art and craft activities and games. There will also be face painting and a visit from **SANTA CLAUS** and much more!

Additionally, our Prep Classes have been working hard to prepare some beautiful Christmas Carols for all to enjoy! Be sure to be punctual, at 9:30 am when the performances begin and the fair opens.

Tickets will be sold in advance. Children must be accompanied by an adult.

**We look forward to seeing you there!**
