JUNE 2019

Dear Parents,

How quickly this academic year has passed! It has been a wonderful year full of learning, growing, making friends, developing self-confidence and independence and generally having fun-filled times at kindergarten. The students have taken part in exciting excursions, trips to the park, awesome STEM activities, birthday parties, water play program and of course, our wonderful end of year concert and prep graduation.

Our end of year concert holds a very special place in the life of our kindergarten. For me it is one of the highlights, an opportunity to give a heartfelt thank you to all who have contributed to another successful year, and an opportunity to congratulate our amazing children and showcase the skills they have developed throughout the year. They had been rehearsing for so long and were so excited to perform for you all on the big stage.

It has been lovely to hear the very positive and heart-warming comments from so many of our parents regarding the children's performances at the concert. I am so grateful to all the teachers who worked tirelessly to prepare the children; they designed and organized the costumes and prepared the music, as well as coordinating the year level performances based around the theme of PLANET EARTH. They have all spent many extra hours working to make the concert the great success that it was.

I believe our school provides a quality curriculum that promotes and nurtures each and every student. Our teachers do the very best that they can to meet the needs of our students and to work in partnership with our families. They work together to plan and prepare high quality, engaging and relevant learning experiences and utilize their various gifts and talents and skills for the benefit of all our students. I sincerely thank the staff of KIK @ The Manor for making our kindergarten the very special place that it is.

Finally, it is with great sadness that I say my final farewell to all the wonderful parents, staff and children of KinderWorld @ The Manor. After 11 amazing years living and working in Hanoi, the time has come for me to return home to Australia and reconnect with my family. KinderWorld has been an amazing journey both personally and professionally and Vietnam will always hold a special place in my heart.

Prep Graduation & End of Year Concert 2019

Prep Graduation

We were all so proud of our prep students at their Graduation. It was a very special evening and they all looked so grown-up as they went up on stage to be presented with their graduation certificates. Their concert performances were spectacular!

I sincerely thank the prep teachers – Ms Rossy & Ms Thuong; Mr Kim & Ms Nguyen; Ms Anna, Ms Trang & Ms Nhung. These teachers have nurtured and prepared our prep students to be ready for the new challenges of primary school. My sincere thanks to you all!

Goodbye to all our Prep Students

We bid a fond farewell to all our Prep students. It is amazing how quickly the children grow and develop and suddenly it's time to send them off to primary school. From all the teachers at KIK @ The Manor, we wish them all the very best for their new schools and we are confident that they are all more than ready to take on the new challenges of Year 1. May you all have fruitful lives full of study and achievement!

I know that the End of Year Reports and Student Portfolios show the wonderful journey that your child has been on this year and how amazing they have been.

Congratulations to all our students!
