JUNE 2019

**Dear Parents,**

The academic school year will end on June 28 2019, marking the end of a learning journey for the children at KIK Ciputra. What a great year of learning and discovery it has been for the children who have all grown and developed, learning much each and every day.

Our Prep students have finished their learning journey with KIK Ciputra. They are moving on to Grade 1 at Singapore International School Ciputra, what an exciting time for you and your families. We wish you every success in the next step of your learning journey.

This month, all classes continued with the water play program. The children all loved going to the pool and learning about being safe in the water. We had excursions to Curious Kids, where the children learnt about different animals and how to look after them and care for their habitats.

To those children and families leaving KIK Ciputra, we wish you all the best in your future adventures, whether that is here in Hanoi or somewhere else in this world.

On behalf of the team at KIK Ciputra, we want to say thank you all for an amazing year. It has been an absolute pleasure teaching all of your children. We wish you a safe, happy and relaxing summer holiday and we will see you all back in the new school year.

Finally, the year would not have been a success without the wonderful teachers and support staff at KIK Ciputra. I want to say a massive thank you to every staff member who worked tirelessly throughout the year to provide a fun, safe and happy learning environment for the children.

**Upcoming Important Dates:**

<b>June 28<sup>th</sup></b>	<b>(Friday)</b>	<b>–</b>	<b>Last Day of term 4</b>
<b>July 1<sup>st</sup></b>	<b>(Monday)</b>	<b>–</b>	<b>First day of Term Break/Summer Holidays</b>

# News around the Classrooms

## Nursery /Kindergarten 1 Class – Butterfly class

The Butterfly class has had another very active month. The students really love their art, so we painted many pictures this month. They have painted in groups, individually and with their feet! To help build coordination and gross motor skills the students had the opportunity to play hopscotch which they really enjoyed. We continued with our STEM activities. The students of the Butterfly class love to build things.

## Nursery Integrated – Bunny Class

Summer is always an interesting theme for the children, one part of this theme is “Summer Food”. Bunny students were very excited learning about different food they eat in Summer and understanding the benefits of each summer food. They also had so much fun making juice, yogurt with fruit and tried some summer food that they like. The Bunny class continued with the water play program, and they all had lots of fun at the pool. They spent time practicing for the end of year concert on Sunday 16<sup>th</sup> of June, they performed at NCC. They did such an amazing job!

The children in the Bunny class have had a great year of learning, growing and developing.

## Kindergarten 1 Integrated – Penguin Class

In June the Penguin class was very excited to go on our excursion to Curious Kids. While there, the children had many hands on learning experiences about different kinds of animals and how to take care of those animals. Teacher Chris and Teacher Kerry were so kind, enthusiastic and full of knowledge about animals!

During the month we practiced for the end of year concert. The children were very happy to get their costumes and try them on. The children were so excited to perform at NCC and they did an amazing job. We would like to thank you for a wonderful year of learning with your children, as well as all the support you have given us. Have a safe and happy summer holiday.

## Kindergarten 1/Kindergarten 2 International – Monkey Class

On Tuesday 4 June, Monkey Class went with Prep International Class to Curious Kid. It was so much fun! The children had the chance to see and interact with many different kinds of animals such as guinea pigs, a rabbit, mice, rats, ferrets and a snake. They played games such as “ferret bowling” and “guess what’s in the box?” The children interacted so nicely and learnt how to act appropriately and respectfully around the animals.

## Kindergarten 2 Integrated – Pony Class

In the month of this school year - Pony friends have had so much fun together. We enjoyed eating ice-cream, popcorn and watching movies for Children's day. We had an intriguing and exciting excursion to Curious Kid - where

we saw, learnt about and played with many interested animals. On 16 June, we had an amazing performance for end of year concert. Pony friends were so lovely and beautiful in their costumes. We are looking forward to a wonderful summer holiday!!

## Prep International – Tiger Class

We had a lovely and very busy month! I cannot believe it is the last month of our school year! The children are ready and very excited to go to year 1. Thank you very much for all your support during the year. It was a wonderful year full of new experiences. We reviewed all the work of the year. We practiced very hard for the concert and the Prep Graduation! The children were very excited about that.

We went to Curious Kids for an excursion where the children learned more about different kinds of rodents and other animals. They learned about the animals' habits and how to take care of them. We were also busy with our water play every Wednesday. The children enjoy the water play very much.

We learned "How to be ready for year 1" in the English as well as in the Vietnamese program. We talked about the expectations of year 1 and reviewed all the class rules again. Thank you very much for your co-operation and support. We really appreciate it very much!

## Prep Integrated – Cubs Class

This month has been another busy one. Cubs class enjoyed their excursion to Curious Kid. They learnt about different animals and how to care for them. They especially loved learning about the ferrets and getting to pat them, (they were really stinky!). The Cubs class continued with their water lay lessons and really loved going to the pool. They have been learning so much about being safe in the pool, as well as building their confidence swimming.

We celebrated children's day by going to the movies – to the 'Cubs Class Movie Theatre'. The children made movie tickets, money and signs. They arranged the classroom like a movie theatre, set up a snack stand and ticket office. Children then had to purchase a movie ticket, their snack and take a seat for the movie 'Cloudy with a chance of Meatballs'.

We have had a big focus on getting ready for grade 1. The children have worked hard all year learning the letters and sounds of the English alphabet, CVC words and sight words.

What a fantastic year of learning, growing and discovery. Thank you to all the children and parents of cubs class 2019 for a wonderful year!
