SEPTEMBER 2019

Dear Parents

Moon Festival

We had such a wonderful day on Friday, 13 September, celebrating the Mid-Autumn Festival. As we prepared all week using decorations, masks and learning songs, the children grew very excited. We enjoyed the day with a number of different activities including making lanterns, parading around the school, making moon cakes and we even had a surprise gift from one of our parents that all of Kindergarten enjoyed. We would like to thank all of the parents for sending in treats and moon cakes for all of the children to enjoy on this special day. We all really appreciate this generosity.

Nursery

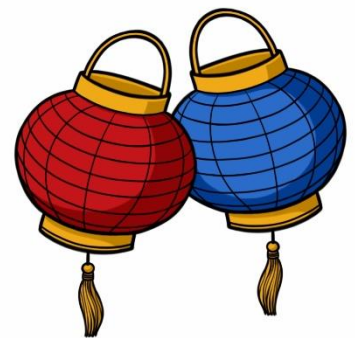

To celebrate Mid-Autumn Festival, Kinderworld Kindergarten organized an extremely special and impressive event for its students. For this event, the Nursery “Mushroom” students were dressed in their traditional costumes and paraded around the E4/E5 block. After returning to school, the students enjoyed a wonderful *Lion Dance* by a dance group and the Prep students. In addition, the students also participated in many different activities such as: photo booths, making Moon cakes, listening to the story about “Chú Cuội”, “Chị Hằng” and the Rabbit and finally, they had a small party with all of their friends. It was a very interesting and rewarding day for our students!

K1 Integrated

The *Chipmunk* class enjoyed the time they spent together this Mid-Autumn Festival. We had many activities to take part in such as making Moon cakes, decorating lanterns and a beautiful Full Moon. We were excited to dress up for the Moon Festival and took the lantern parade around E4 and E5. We really enjoyed watching the Lion Dance with our friends at school. We have made many lovely memories together.

K1 International

This month the Owl class went on an excursion to MY GYM. Our class joined in with the *Chipmunk* and *Mushroom* classes. We all had a great time. The students enjoyed many fun activities and games with the instructor, Mr. Harry. Our students learnt how to tumble, balance, and use their imagination. Mr. Harry used many different types of equipment to tell a story using TPR and getting the children to use their imaginations, as well as getting their bodies moving. We all had a real FUN day!

K2 International

This month in the K2 International *Fox* class, we celebrated Mid-Autumn Festival. In the week leading up to the event, we learned about lanterns, moon cake, and the story behind the Mid-Autumn Festival. We made dragon masks, two types of lanterns from paper, plastic water bottles, and fish from toilet paper rolls. On the day of the Festival, our students dressed up in traditional Vietnamese costume. They brought in many moon cakes, fruits, and other food to share with each other. We had a parade around the school and watched the Lion Dance. Later, we made moon cakes and had a party.

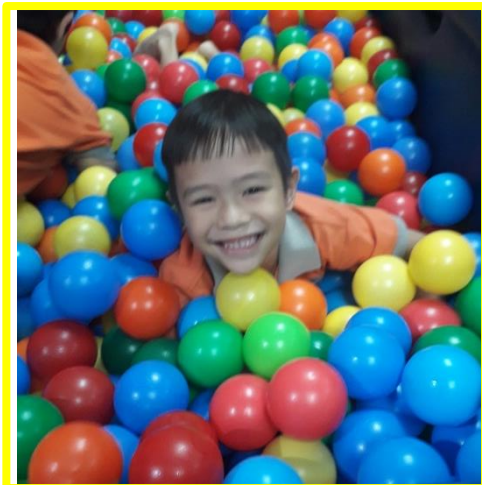

K2 Integrated

We celebrated the Moon Festival at school on the morning of 13 September. The *Raccoon* students were really excited preparing for this day by making lanterns, masks and practicing for their fashion shows... During this festival celebration, *Raccoon children* eagerly watched the Lion Dance and then took part in many fun activities: played with “*Chu Cuoi*” on the rooftop of our school, made some fruit displays, sang traditional songs, and ate traditional food. It was a very impressive and unforgettable Moon festival for the children!

Prep Integrated

The *Prep Squirrels* have had a fun filled September. The Mid-Autumn Festival was a wonderful celebration and the prep boys especially loved being able to do the Lion Dance and show off their skills. We made moon cakes, lanterns and took a short trip over to SIS to have a look at their wonderful fruit displays. Another high light of this month would definitely be our excursion to My Gym. During this excursion, the Squirrels were able to run around, climb, jump, skip, and hop and learn some fun gymnastic techniques. We had a lovely experience there and at the same time developing our gross motor skills in a safe environment.
