

KINDERWORLD INTERNATIONAL KINDERGARTEN @ CIPUTRA

NEWSLETTER

October / November 2019

Dear Parents

Around Kindy

The past 2 months have been very eventful at KIK Ciputra. We celebrated Halloween with a number of activities, which I am sure your children have told you about. Many classes enjoyed their excursions to Vinke as well as Bat Trang Pottery Village. These excursions have been very enjoyable and so exciting for the children. On Thursday, 14 November, we practiced our fire drill and all the children did very well. It is safe to say that we are well prepared.

School Procedures

I would like to remind parents that it is important you accompany your child to the classroom each morning. Children should be in their classrooms ready to start the day by **8:30am**. In the afternoons, all children should be picked up from their classroom between **3:30pm – 4:00pm**.

Please ensure that you sign your children in and out each day.

School Uniforms

Children wear their school uniforms each day. The PE uniform is worn on Fridays and when the children go on an excursion.

Important dates

Please keep the following dates in mind:

- Saturday, 7 December – Christmas Charity Fair
- Friday, 20 December – School closes for Christmas break

Thank you for reading this month's newsletter. Please remember that if you have any questions or concerns during the year, I welcome you to contact me. I would be more than happy to speak with you.

Kind Regards,

Caitlin Robinson
Head of Studies

Nursery and K1

Nursery Integrated and Nursery/ K1 International went on an excursion to VinKE at Times city. At VinKE, the children were able to role-play and explored different occupations. We chose this excursion because it supported our study theme '*Jobs*'. It gave the children the chance to learn about the importance of different jobs. Our students continued to role-play throughout the month in the classroom, by pretending to be doctors, nurses and teachers. We had a lot of fun with this theme and the children were able to learn much through purposeful play.

K1 Integrated

This month K1 Integrated enjoyed an excursion to VinKe, Times City. The

children enjoyed dressing up as firefighters and police officers. They were put to work as firefighters and had to go and put out a fire. This fun

filled excursion provided us a firsthand learning experience and reinforced the themes “Jobs” and concepts about jobs that we look and study at school. During the month we also experienced some fun STEM activities such as making flowers change colour and a number of other experiments. It is a creative play idea that also works on fine motor skills and problem solving for the children.

K2 International

Last month the K2 international class celebrated Halloween. During the month of October, the students learned about different Halloween characters, including vampires, monsters, witches, bats, spiders and many more. We read Halloween books, made many Halloween crafts, and learned some Halloween songs. On Halloween, the children came to school in their costumes, and some painted their faces at school. We had witches, cats, princesses, super heroes, and a mermaid. Many of the children brought candy to share with their friends at school. We painted pumpkins to take home and watched a Halloween movie. The children had a lot of fun going 'Trick or Treat' and giving out candy to the other classes when they came to our door.

K2 Integrated

K2 Raccoon's had a bag full of candy and loads of fun during Halloween! Students wore amazing costumes that reflected their personalities which were scary, whacky, and some even hilarious. Overall, everyone had a great time as the classes took turns parading around E4/5 building in front of teachers, peers and our exceptionally qualified judges. Great music, great costumes, dancing teachers, and lots of great fun made for a memorable event for everyone.

Prep Integrated

This Term has been busy to say the least. As we are expanding our knowledge and skills, we have had a chance to enjoy Halloween as well as an excursion to Bat Trang Pottery Village. Halloween was a very exciting day and we all enjoyed it. The excursion to Bat Trang Pottery Village was one to remember. All the children had a chance of molding their own clay object. These ranged from cups to bowls and even some vases. Once these had dried out a little the Squirrels could paint and decorate their creations. The object had to then stay a few days to be baked and the final products surprised us. It was lovely to see the work the children had put into them come out so pretty in the end.
