NEWSLETTER

DECEMBER 2020

Dear Parents and Families,

It is hard to believe that another year has passed already. In many ways this has been a different year with COVID lurking in the shadows. Here at The Manor we would like to express our gratitude for your understanding and corporation throughout the whole year. As we go on holiday, we hope you will have a safe time with your friends and loved ones.

Christmas Charity Fair:

Thanks to all the parents for supporting our Christmas Charity Fair at KIK The Manor. This year it was held under special circumstances with no visitors, but it still turned out to be such a lovely morning with the students enjoying the wonderful activities and the movie in the afternoon.

Once again “Caritas Vietnam” was the very worthy beneficiary of all the Kinder World schools in Vietnam who hosted Christmas Fairs this year. We had a fantastic morning and I sincerely thank the amazing teaching staff, office personnel and support staff, who all worked tirelessly to help make the Fair such a fun, safe, enjoyable and successful event.

Upcoming Important Dates:

NEWS FROM THE CLASSES

Pre-Nursery/Nursery Class

December is one best months of the year! All the kids were excited about the upcoming special Christmas events. With school, all the students in PN-Nursery The Sun Class took part in our annual Christmas Charity Fair at KIK The Manor, to support Caritas Vietnam. The children had a great time playing Christmas games, decorating Christmas cookies and and joining in others Christmas activities! They also loved having photos taken with Santa. We would like to send a big thank you to all parents for supporting us in making our Christmas fair meaningful and successful. We are very appreciative.

Nursery/Kindergarten 1 Classes

This month, the children have been having lots of fun, preparing for our Christmas celebrations. This included a variety of arts, crafts and sensory-based activities. The children particularly enjoyed their visit from Santa, and loved learning about the different ways in which people around the world celebrate this festive season! We would like to take this opportunity to thank you all for your ongoing support and generosity, through what has been a challenging year. We are very proud of the progress the children have made and look forward to continuing their learning journey in 2021. We wish you all a restful Christmas and a very happy new year!

Kindergarten 2 Classes

Every year, Christmas is one of the most interesting events that our kids are excited about. To welcome Christmas, our K2's have done a lot of beautiful art and craft activities such as: painting and decorating Christmas trees and stockings, painting a fire place or making houses for our display board...; besides our students also did some art work to sell for Christmas Charity fair. What an unforgettable Christmas.

Prep Classes

December was a special month as it brought the magic of Christmas to our kindergarten! Both Prep classes were very excited to welcome this month and work on Christmassy activities and crafts. Christmas is a time to get together, reconcile with family and friends, and remember the importance of love and gratitude. It is also, a time for giving and help those in need. As for this, KK continued with the tradition of having a Christmas Charity Fair to raise funds for Caritas Organization. This time, teachers and students worked together making different crafts with the children's help to sell and raise more funds for this organization. Prep classes contributed by making lovely succulents that you will see in the photos attached. Children also had a blast taking the traditional photo with Santa and participating in all the activities offered in the Christmas Charity Fair. It was indeed a lovely and magical month.

Thank you parents for all your support and may you all have a Merry Christmas and Happy New Year! Our best wishes to your family and friends.
