JANUARY & FEBRUARY 2019

Dear Parents,

Welcome back to Term 3. I want to wish everyone a Happy New year. May this year be filled with happiness, good health and wealth. During January and February, the children at KIK learnt about Tet and all the traditions and food that occurs around Tet. All classes made tradition Chung cake and celebrated Tet with their classmates and teachers. It was great to see some many children dress in Ao Dai's.

We have had a very busy start to Semester 2. I would like to thank all those parents who took the time to attend parent teacher interviews. If you were not able to attend parent teacher interviews and would like to arrange a meeting with your child's teacher to discuss their progress, please contact either the office or your child's teacher directly.

Semester 2 is well on its way and our students are hard at work with class work, homework, projects and enjoying school life. It is great to see all the students engaged in their learning. This semester will be a very busy one with excursions, water play program for the end of year.

We are very excited to welcome to Ms Bella, Nursery/K1 teacher, to our KIK team. A little more about Ms Bella:

My name is Bella. I am from New York, USA. I have been living and working in Hanoi since September 2015. I am an Early Childhood Education teacher, and an English teacher for private classes. Some of my strengths include teaching phonics and turning worksheets into physical activities for children. I love working with children between the ages of 2-4 years old. In my free time, I like to paint and make crafts. I also enjoy traveling, I have been to about 20 countries so far, and I hope that one day I will have the opportunity to travel to even more countries.

Upcoming Important Dates:

April 12th	-	Last day of term
April 15th	-	Off in-lieu for King Hung Anniversary
April 16th	-	19th Term Break/School Holiday
April 22nd	-	First day of Term 4

News around the Classrooms

Nursery Integrated Class (Bunny)

Bunny students were very excited to learn about the theme "Vegetables". They were able to recognize and name a variety of vegetables such as carrot, cabbage, broccoli, pumpkin, potato, tomato. They also learned about their color as well as the benefit of each vegetable. The children were encouraged to eat more vegetables, because vegetables are very good for your health and eating many vegetables is essential for them growing. Vegetables will provide energy and help children to have a strong body.

Nursery & Kindergarten 1 International Class (Butterfly)

The Butterfly class has had a great time learning about Tet and the traditions of Tet. They were excited to make Chung Cake and come dressed in their Ao Dai's.

The Butterfly class has also been learning about animals that live in the ocean and on land. They were excited to read the book "The Rainbow Fish" which was about being a good friend and sharing. The children have all been practicing being good friends.

Kindergarten 1 Integrated (Penguin Class)

The children in the Penguin class were very excited to celebrate the Tet holiday this year. The children helped to make Chung cake, as well as a lucky envelope for Lunar New Year.

The children really enjoyed the experience of making a Chung cake from scratch and then cooking it, and tasting their own Chung cake the following day.

We also had a party to celebrate Tet. The children all came dressed in their Áo Dai. We ate lots of sweets and traditional Tet food to celebrate start of the Lunar New Year.
