JANUARY 2025

Dear Parents and students,

We are thrilled to share the latest updates from our recent sports tournaments. Our students have shown incredible enthusiasm and sportsmanship, making us all very proud.

Basketball Tournament:

The basketball tournament was equally exciting, with our team putting up a strong fight. The players' hard work and dedication were evident in every game.

Football Tournament:

Our football team participated in a highly competitive tournament on 22nd Jan. The players demonstrated excellent teamwork and determination throughout the matches. Although we faced some tough opponents, our team managed to secure a respectable position.

Both tournaments provided valuable experiences for our students, helping them grow both as athletes and individuals. We are now eagerly looking forward to our upcoming football tournament in March, which will be held in Ho Chi Minh City.

This event will bring together teams from other SIS schools, promising another exciting opportunity for our players to showcase their skills and sportsmanship.

We are incredibly proud of all our athletes for their hard work and dedication. Stay tuned for more updates in the coming months!
