Principal's Message

September has been another positive and enjoyable month at KIK Van Phuc, and it has been wonderful to see our children becoming increasingly confident, independent and comfortable in their daily school routines.

This month has also given our students several opportunities to learn and celebrate beyond the classroom. We enjoyed marking Vietnam National Day, with activities that helped our children celebrate Vietnamese culture and develop an appreciation for this important national occasion.

Hello
September

2026

VIETNAM NATIONAL DAY 2/9

Mid-Autumn Festival

Our Mid-Autumn Festival celebrations were another special highlight. It was lovely to see the excitement across the campus as children took part in festive activities, shared experiences with their classmates and learned more about this important tradition.

Autumn

school excursions

September has also seen the beginning of our school excursions. These experiences are an important part of learning at KIK, giving children opportunities to explore the world around them, experience new environments and continue developing their confidence, independence and social skills outside the classroom.

It has been a busy and rewarding month, and I have been very pleased to see the enthusiasm and curiosity our students continue to bring to school each day.

Thank you to our families for your continued support. I look forward to seeing our KIK students continue to learn, explore and grow together in October.

And now a word from Ms. Hang and Ms. Diadem,

**Dear Parents/Guardians,**

September has been a wonderful month of learning and growing at KIK. With the autumn breeze in the air, our students have become more settled, confident, and independent in their daily school routines.

Learning Highlights

This month, our learning focused on "My School/My Life at School." Through stories, songs, games, and hands-on activities, the children learned more about their school, friendships, responsibilities, and the people around them. They also continued developing their language, early literacy, numeracy, creativity, and social skills.

Swimming

Our students also continued their **HPE swimming lessons**, building their confidence, coordination, and independence in the water.

MID-AUTUMN FESTIVAL CELEBRATION

One of the highlights of September was our **Mid-Autumn Festival celebration**. The children enjoyed various activities, class projects, and festive experiences while learning more about this special Vietnamese tradition. It was lovely to see everyone celebrating and enjoying the occasion together.

A Gentle Reminder

We kindly remind all students to come to school in the correct school uniform each day. Thank you, parents, for your continued support in helping our students look neat and ready for school.

As we end another busy month, we are happy to see our students becoming more confident, building friendships, and enjoying their learning each day. We look forward to more meaningful experiences in October!

Respectfully Yours,
Ms. Hang & Ms. Diadem
